**Summary of reasons  
for classification:**

The computer image file printout *1155706930.jpg* is classified as:  
Objectionable.

The publication promotes and supports the exploitation of children and young persons for sexual purposes under s3(2)(a) of the Films, Videos, and Publications Classification Act 1993 (FVPC Act). The image depicts a naked girl in a pose orchestrated to show her immature sexual characteristics and youthful body. The image legitimises adults' sexual interest in children and young persons by providing this detail. Images such as these advance and normalise the idea that children and young persons are ready for adult forms of sexual activity and available for adult sexual gratification.

The classification of this publication interferes with the freedom of expression, as set out in section 14 of the New Zealand Bill of Rights Act 1990. This outcome is consistent, however, with Parliament's intention that publications falling under section 3(2) of the FVPC Act are deemed to be objectionable. The classification is also a reasonable limitation on the freedom of expression that reflects the concern of a free and democratic society to limit the availability of publications that promote and support the exploitation of children and young persons for sexual purposes.
